

12 Days of Christmas 2020

The 12 Days of Christmas is a wonderful opportunity for groups to come together and prepare a special holiday meal for our Hope Center clients. The meals may be cooked by the group, although some groups to choose to have their meals catered by restaurants or catering companies. We have businesses, church groups and families who donate meals during the holiday season, from November through January. Normally, we have our volunteer groups serve the meals, but this year is a bit different because of Covid-19. We will have a drop-off area at the Jacobs Hope Cafeteria, and our staff will gladly serve the meals for you.

The food can be as elaborate as you'd like- some groups do traditional holiday meals with all the fixings, and other groups do chili, spaghetti or taco nights. Our 12 Days participants really enjoy getting into the spirit of the holidays- many of them bring homemade baked goods for dessert, socks, gloves and hats to pass out, or even candy canes and cocoa.

We usually serve around 100-150 people each meal. The 12 Days of Christmas slots fill up quickly, please contact [Carey Cairo](#) at 859-913-9742 or 859-721-0144 to reserve a date to help us feed the homeless this holiday season.
