

Spread Christmas Cheer to those who need it most!

The Hope Center's Annual Client Christmas Party will be held on December 17th, 2020. Every Hope Center client will receive a gift, along with Christmas cookies and good cheer! We provide new, unwrapped gift items to our homeless clients, along with those in our Veterans Program, Mental Health & Employment Programs, and our Men's and Women's Recovery Programs. We also give new toys to our clients who have children, so that they can share in the joy of giving.

NEW for 2020- We have an Amazon Wish List, so that our donors can shop from the comfort of home!
